Scout Fair Highlights

Many thanks to all who braved the parking situation at the Astrodome and made it to the event. Despite the parking problems, over 30,000 people attended the event.

I want to give special thanks to Lynda Rock and Laura Mlachak who again made sure that the booth was a success. I also have to commend all of the scouts and parents who helped out on the booth. I know that on Friday night we had more help than we could use and that the booth was well staffed on Saturday despite the delays caused by the parking situation.

A big round of applause to all who helped out.
