## Fall Campout

I wonder who this might be?

## Pack 505 Christmas Service Project

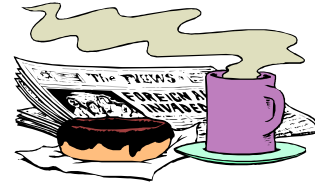

This year Pack 505 has the opportunity to help two families who are in need. Sr. Virginia selected two families and is very excited about our offer to help. To better fulfill the needs of these families, and to make your holiday shopping easier, we will be accepting donations which will be given to Sr. Virginia to use on behalf of these families. Historically, the donations were in the \$10 range, but the important part is to give what you can and give from the heart. Pack 505's target is to raise more than \$1,000 to go to this worthy cause. Please bring either a cash or a check made payable to St. Vincent de Paul Church, to the next meeting.

## Planned Pack Pleasant Polychromatic Picture Period

All scouts should plan on presenting themselves in full regalia for the planned Pack picture fest to be held at the December Pack Meeting!!

## Coffee and Donuts

On Sunday, February 2 Scouts Host Coffee/Donuts – Full uniform required. The following Den assignments will follow later.

## Scout Fair

It is still undecided as to what we want to do as a pack at this years Scout Fair. Any ideas out there? Ticket Sales will begin in February.

## ANNOUNCEMENT!

The Tigers Lair is now officially under new management. If you are pleased with the format and content, it is most likely because I, Ed Siwak, did a fine job putting this inaugural issue together.

If, on the other hand, you find this issue below standards or are in any way displeased with the content, then obviously someone else is to blame!

If you have any item that you, the loyal reader, would like to see included in a future issue then please email what I would need to include your item, either graphic and/or text only. Above all, give me some lead time to put this together.

This announcement is intended to be humorous. Don't take any of this seriously! You WILL NOT be subjected to this again...I promise! **Ed S.**
